The rates shown are based on average rates for our most common qualified customers. Your individual rate may vary. *APR, Annual Percentage Rate, is accurate as of today's date. ¹The Conventional APR is based on a \$300,000 loan for the purchase of an owner occupied residential property with 80% LTV. ²The Jumbo APR is based on a \$450,000 loan for the purchase of an owner occupied residential property with 69% LTV. ³The FHA APR is based on a \$271,050 (limit per county) loan for the purchase of an owner occupied residential property with 80% LTV. FHA loans will require an up-front mortgage insurance premium of 1.75% of the loan amount. Depending on the amount of the principal obligation of the loan in relation to the appraised property value, FHA loans are also subject to a monthly mortgage insurance premium that will range anywhere from 0.80% to 1.05% of the remaining insured principal balance. Consult your loan originator for exact amounts per your specific loan scenario. ⁴The VA APR is based on a \$271,050 (limit per county) loan for the purchase of an owner occupied residential property with 80% LTV. A funding fee is required on all VA loans. ⁵The Adjustable Rate Mortgage (ARM) APR is based on a \$300,000 loan for the purchase of an owner occupied residential property with 80% LTV.
